Bruce Bills of Section 326 led 83 runners in the JPL Joggers' Sixth Annual Arroyo Seco Freako Microthon/Road Race in celebration of April Fools Day, 1980. With the traditional pop of a beer can, the runners ran through Oak Grove Park, across the Devil's Gate Dam, to the JPL East Lot and back, a total of 4.0 miles (?).

Bills ran the course in 22 minutes 46 seconds and led his Division 32 teammates of Dave Thompson (third place) and Ed Shoub (eighth place) to the Microthon team title. Bills had finished third in last year's event. His name will be inscribed upon the perpetual trophy honoring the brave winners, which boasts a plate for engraving and a permanently mounted empty lite beer can.

Robert Beauchamp placed second, 11 seconds behind the winner, followed by Thompson (23:44), Len Efron (24:06), and John LuValle (25:14).

Men's age-group winners were Ivory Johnson (under 20), Beauchamp (20-29), Bills (30-39), Efron (40-49), and Dick Davies (50 and up). The first female finisher was Mary Elwell, visiting from TRW (43rd place in 31:08), while the first JPL female across the line was Cindy Terrefert (55th place in 33:35). JPL women's age-group winners were Terrefert (under 20), Kris Stewart (20-29), and Toni Ibarra (30-39).

Division 31's Efron, Paul Penzo, and Ed Sherry were the second place team.

The JPL Jogging & Pedicomp<sup>2</sup>etition League (JPL<sup>2</sup>) will also be sponsoring the up-coming NASA Intercenter Postal Competition road races. Each NASA center runs 2-mile and 10-kilometer races and submits times to a central computer where individual age-group and NASA center winners are calculated. This year, JPL employees, contractors, and their dependents are welcome to compete. The 2-mile race will be held Thursday, April 24th at La Canada

High School. The 10-kilometer run will be held Friday, May 9 at 12 noon at the south end of the Rose Bowl. Since more people participating mean more points to JPL, everyone is urged to run, jog, walk or stroll the courses. For further information, call Roz Barbieri (311), Jogging Club Kingperson at 177-9328 (Foothill) or Len Efron at x6780.
