HANDICAP & NEWCOMER RACE

Spring, 1986

In the 1986 edition of the 2-mile Handicap Race, Jeff Berner turned on the afterburners to speed away from the field of 33 runners. Jeff's time of 12:52 was 1:54 faster than his handicap time of 14:46. Runners' handicaps were based on data from their best races in 1985.

Two other runners also sliced more than a minute from their handicap times. Reuben Ruiz improved by 1:19 to finish in 15:07, and Bob Kerr knocked off 1:04 to finish in 15:19. Bob's third place finish was particularly impressive, since he was also the winner of the 1985 Handicap Race. He registered a 2:25 improvement from 1984 to 1985, followed by an additional 1:04 improvement from 1985 to 1986 – a pretty good parlay!

Also earning medals for 4th through 8th places were Dave Speer, 11:05 (improved by 0:22), Sam Dolinar, 12:32 (improved by 0:18), Jim Frautnick, 14:32 (improved by 0:17), Dave Farless, 16:19 (improved by 0:05), and Mark Ryne, 13:23 (0:03 slower than handicap time).

The concurrent unhandicapped Newcomer Race attracted 31 participants. Earning medals were: Lucien Froidevaux, 11:28, and Jim Nelson, 12:08, in the Open Division; Bill Roth, 13:25, and Bob Cole, 14:32, in the Masters Division; and Susan Smolinski, 13:11, and Michele Stillman, 14:32, in the Women's Division.

A complete list of all participants and their times for both races is given in this flyer.
