              Bicycling Club Members  
              JPL Olympics Competitors and Helpers

FROM:         Sam Dolinar (238-420, X3014)  
              Barbara Basta (238-641, X6346)

SUBJECT:     1984 JPL Summer Olympics Results

Attached are the results from the 16 events of the 1984 JPL Summer Olympics. There were a total of 543 entries in the 16 events (361 men and 182 women), for an average of over 30 competitors per event. This represents a total of 223 different participants (156 men and 67 women), averaging 2 to 3 events apiece. Kim Lievense deserves special mention as the only athlete to compete in all 16 events. Other avid participants included Sam Dolinar (14 events), Kathy O'Hara (10), Peter Day (7), Dave Speer (7), Dave Hansen (7), and Mark Gatti (7).

Gold, silver, and bronze medals were awarded to the top three men and women finishers in all individual events, and gold medals only were awarded to the winning team in team events. In the men's 4x50-yd swim relay, two sets of gold medals were awarded, due to some confusion over whether a team with only three swimmers should be allowed to compete. Pam Moore led the medal parade with a total of 5 medals. Other top medalists were Dave Hansen, Barbara Basta, and Michael Knowles, with 4 medals each. Michael Knowles was the only triple gold medalist; double golds were won by Barbara Schneider, Chris Cosner, Valerie Pickett, Chris Hillock, Christine Woodsmall, and Ed Rinderle.

Congratulations to all of the Olympians for your fine efforts! And special thanks to the many volunteers who helped organize and conduct our Olympic events. Eleven different people took on the responsibility for organizing individual events, and each of them had to recruit their own set of volunteers. Included in this flyer is a list of all the helpers whose names we can remember (our apologies to anyone we've inadvertently left out). More than 60 people volunteered their services, and many assisted at several events. Most notable in this category were Elaine Hemenway and Gary Kunstmann, who both pitched in at more than half of all the events. To all of the helpers, thanks a million -- from everyone involved in the Olympics. Without your help, none of this would have been possible.

Included in this flyer are Running Club and Bicycling Club application forms for non-members who might be interested in joining us for future Club activities. An official JPL Summer Olympics ribbon is also enclosed for every Olympic competitor or helper.

We'd like to get some feedback on this year's Olympics. Which events would you like to see held in the future? As individual events, or as part of another Olympics on a grand scale? Are you willing to help organize and run some of these events?

This mailing is supposed to go to everyone who participated in the JPL Olympics, either as a competitor or as a helper. We've tried to assemble a master mailing list from the results of all the events, but undoubtedly some names have been lost in the shuffle. We also have several names without addresses (see below), mostly from the events held at the ERC Picnic. If you know of anyone missing from the results lists, or if you recognize a name on our "address unknown" list, please let us know.

#### OLYMPIC PARTICIPANTS WITH UNKNOWN ADDRESSES
