RESULTS

COURSE: Rose Bowl

RACE DATE: Apr. 13, 1988

The JPL running club's bi-annual 10 kilometer race was run under *cloudy* (yes you read correctly—cloudy) skies with a little pre-race rain to cool the pavement. The results were faster times. Section 312 made a strong showing by capturing two of the top three places in the race with Mark Vincent winning in 38:12 and Roy Kakuda finishing third with 38:29 (watch out Bill M.). Breaking up the 312 sweep was Dave Hansen of section 339 with 38:16. Congratulations go to all runners who participated. Here are the results ...
