SUBJECT: Results of Xerox Marathon Relay

A synopsis of the team and individual results from February's Xerox Marathon Relay is given on the reverse side of this flyer. Rockwell International successfully defended its 1984 championship, this time defeating runnerup Litton Data Systems by nearly five minutes. A total of 178 teams were registered, but only 151 teams officially completed the course.

JPL's 'A' Team finished in 13th place, same as last year, even though there were 40% more teams competing this year. JPL's 'C' and 'B' teams finished 79th and 93rd, respectively.
